## \$745

F. O. B. DETROIT

Straight and sure—like an arrow that flies from the bow and imbeds itself in the bull's-eye—

So have the Maxwell builders fixed a price for their product—\$745—which makes it possible for them to say:

"Below this figure there must be something lacking which we have put into the Maxwell—efficiency, durability, economy, comfort, beauty or standard equipment.

—and above this figure we could give you no greater practical utility—only larger size or richer and fancier furnishings."

This is the scientific fact—proved and demonstrated by one of the giants of the motor car industry in years of production on an immense scale.

And we stand firm on this finding of the Maxwell builders.

We believe the Maxwell to be the BEST MOTOR CAR INVESTMENT possible today.

## An Old Man's Stomach.

As we grow older and less active, less and less food is required to meet the demands of our bodies. If too much is habitually taken, the stomach will rebel. When a man reaches the advanced age of 85 or 90, you will find that he is a light eater. Be as careful as you will, however, you will occasionally eat more than you should and will feel the need of Chamberlain's Tablets to correct the disorder. These tablets do not contain poison, but strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels.

Sort your apples. Don't store the wormy apples with the good ones.

## For a Weak Stomach.

As a general rule all you need to do is to adopt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.

This remedy has been in use for many years. Its good qualities have been fully proven by many thousands of people. It is pleasant and safe to take.
